Waterscape B112

Waterscape B112, Ground level condo, steps from the sand!

Waterscape B112 is located on the Florida Panhandle in the Destin/Ft. Walton Beach area and is one of the most popular resorts on the Gulf Coast. We are a 2 bedroom, 2.5 bath condo with all the perks you'd expect from a 5-star resort, plus many that you haven't yet considered. Waterscape B112 is on the ground level in the B building and is located in the desirable "inside" of the U, only 6 units back from the beach. We are the first unit to the largest waterfall and largest pool. Our centralized yet private ground floor location is highly desirable and considered a "prime" location within the resort. This unit contains two master suites, which are perfect for traveling with extended family or another small family. The living room and both bedrooms open to the spacious, sun-kissed patio which includes seating for 4, two lounge chairs, and a deck box filled to the rim with beach toys and floats.

B112 boasts a fully-stocked kitchen making cooking-in a breeze (but of course, cooking is optional!). The living room has a full-size sofa that converts to a Queen size tempurpedic-topped sofa bed, a love seat, and an HDTV in case you need to spend some down time indoors.

B112 is colorful and classy, offers a beachy charm, and has been carefully designed to feel like home. We have selectively stocked the condo with things you need, but nothing you don't. We offer 4 beach chairs, a large 8' umbrella, and a beach cart to provide front-row beach seating at your leisure. This equipment is also handy at the pools, as sometimes vacant chairs can be difficult to come by. We furnish an all-terrain wagon for your little ones, a pack-n-play, high chair, and a variety of other items to make your visit easy. These are a few of the details, but I don't want to spoil all the fun!

Waterscape B112 contains the resort's only rope-lighted bunk room. Additionally, there is a cable-connected HDTV on both the top and bottom bunks. This puts children in the right mood and makes them happy to climb into their sleeping quarters. Our bunk room features a light-blocking and sound-insulating curtain, making sleeping in a breeze. This unit sleeps 8 people comfortably.
